### HOW CAN WE OFFER SUCH A GREAT DEAL?

What sets *The 1890 T-Shirt Company* apart from many of our competitors and allows us to offer this special is our state-of-the-art automatic printing press. This computer controlled press allows us to produce high quality prints up to 3 colors (on white shirts) with exceptional efficiency and consistency.

\*Promotion does not include Hanes Beefy T's, Champion or other premium priced brands.

**DON'T NEED 300 T-SHIRTS\*\*!** No Problem. You can name your own price with our **PENNY per SHIRT OFFERING.** Need just 250? That's fine. Simply add 1 cent per shirt for the difference. In other words  $300 - 250 = 50$ . Your cost therefore will be  $\$3.33 + .50 = \$3.83$ . 200 shirts would be  $300 - 200 = 100$  or  $\$3.33 + 1.00 = \$4.33$ .

\*\*Minimum order for this special is 144 shirts.
